

Join our Foundation!

Canterbury Foundation invites seasoned professionals to join our dynamic team. If you possess a strong dedication to enriching the lives of seniors in Edmonton, we want to connect with you.

Following the successful completion of a significant expansion and renovation project, we are excited to introduce an innovative campus of care, providing an unparalleled aging-in-place option for seniors in our community.

At Canterbury, our foundation members play a pivotal role as key stakeholders, driving the organization's mission forward. Many of our members actively contribute to various committees, shaping the direction and impact of our initiatives. Moreover, our members serve as a talent pool for future directors of the Board.

We are currently seeking individuals with expertise in fund development, HR/Organizational development, construction, marketing/communications, labour relations, and legal affairs. If you possess a business-oriented mindset, a passion for seniors' care, and a desire to effect meaningful change, we encourage you to reach out to us today.

Join us in our mission to elevate the standard of care for seniors while embracing innovation and compassion. Let's make a difference together.
